DANS TUNES UNVEILS GENRE-BENDING NEW SINGLE “SECRETS”

Stuttgart, Germany – DAN (aka DANS TUNES), the German multi-instrumentalist, composer, and producer, releases his latest single “**Secrets**“, a striking fusion of classical rap, live instrumentation, and modern pop sensibilities. The track bridges eras and styles, combining the raw energy of 90s hip-hop with the emotional power of contemporary pop songwriting.

Composed and produced by **DAN**, and co-written by **Bethany Ann Warner** (artist name *googly eyes*, currently collaborating with producer Flume and songwriter Love To) and acclaimed rapper **A-F-R-O**, “*Secrets*” stands as a testament to the art of musical collaboration across genres and generations.

The song’s verses are delivered with A-F-R-O’s trademark lyrical precision and flow, while the chorus opens into a melodic and cinematic release, featuring Warner’s soaring pop vocals layered over live drums, guitars, and subtle orchestral elements. A-F-R-O has gained broader public visibility in the United States through standout televised appearances, including his memorable freestyle performance on *The Tonight Show Starring Jimmy Fallon* (NBC) and a performance on *The Queen Latifah Show* (CBS); those moments helped bring his virtuosic rap skills to a wider mainstream audience and add extra weight to his contribution on “*Secrets*.”

“*Secrets*’ is about the unease of dealing with people who are constantly hiding something,” explains **DAN**. “*You sense that there’s a missing piece, something they’re not showing, and that uncertainty makes it hard to trust what’s real. The song captures that tension, that feeling of never quite knowing who someone truly is.*”

- **Theme:** The discomfort of secrecy and the struggle to connect with people who hide their true selves
- **Style:** A unique mix of classical rap and modern pop crossover
- **Instrumentation:** Drums, live guitars, warm basslines, cinematic strings and piano parts and lush pop vocal harmonies
- **Contributors:** Written by Bethany Ann Warner (*googly eyes*), A-F-R-O (whose TV appearances on *The Tonight Show Starring Jimmy Fallon* (NBC) and *The Queen Latifah Show* (CBS) broadened his profile), and produced by DAN

About the Artist

DAN is an up-and-coming multi-instrumentalist, composer, and music producer hailing from Germany. He began his musical journey on the violin at age seven – studying alongside his brother under the guidance of their mother – before teaching himself guitar and learning drums at thirteen. Over the years, DAN has played in orchestras and bands, conducted a church choir at eighteen, and honed his craft behind the mixing desk. As a composer and producer, he creates music for labels, artists, TV shows, series, and films, and performs as the guitarist in a funk & soul band called „Peerplex“. In 2024, he launched **DANS TUNES**, both his artist moniker and the name of his production company, dedicated to delivering high-quality music production across genres and media.
