DANS TUNES UNVEILS GENRE-BENDING NEW SINGLE “SECRETS”

Stuttgart, Germany – DAN (aka DANS TUNES), the German multi-instrumentalist, composer, and producer, announces the release of his latest single, “**Light Up The Night**,” a vibrant fusion of playful pop and feel-good energy. The track serves as a bright, upbeat follow-up to his previous works, trading moody introspection for a cheerful, “happy-go-lucky” atmosphere.

A Transatlantic Pop Collaboration

Written by the acclaimed Los Angeles-based songwriter **Kella Armitage** and produced by **DAN**, the track is a testament to the power of modern musical partnership. “**Light Up The Night**” features:

- **Vocals:** Easygoing, melodic female vocals that carry the song’s optimistic message.
- **Instrumentation:** A lively arrangement of **jamming keys, grooving basslines, and dynamic drums and percussion.**
- **Mood:** An uptempo, “feel-good” groove designed to evoke a sense of warmth and emotional relief.

A Personal Tribute to Support and Connection

Beyond its catchy production, the song carries a deeply personal message from DAN. Inspired by his own journey through “dark thoughts,” the track is a public thank-you to his partner for her unwavering support. “*This song is a direct reflection of my current stage in life,” explains DAN. “It’s a message to my loved one, asking for help to dispel the darkness and get back on my feet. Sometimes just being there is enough. I hope this song reminds people that true friendship and love are recognized when you are really struggling. It’s my way of saying thank you for lighting up the night for me when it’s particularly dark.”*
