## **DANS TUNES UNVEILS UPLIFTING NEW SINGLE “FIRESTARTER”**

Stuttgart, Germany – DAN, the German multi-instrumentalist, composer, and producer, announces the release of his latest single, “Firestarter,” a vibrant and energetic pop anthem designed to light up the dark.

The track serves as a bright, upbeat continuation of his recent positive releases, offering an infectious, feel-good atmosphere to help listeners switch off and forget the world’s troubles for a moment.

**An Energetic Pop Anthem** Produced by DAN, „Firestarter“ is a testament to the power of upbeat, motivating music. “Firestarter” features:

- **Vocals:** Dynamic female vocals delivering relatable lyrics about getting ready for a night out with „perfume and glitter“ and searching for an essential spark.
- **Instrumentation:** A lively, uplifting electronic pop arrangement driven by an infectious beat and anthemic energy.
- **Mood:** An uptempo, motivating groove designed to lift spirits and ignite a sense of emotional relief.

**A Personal Message of Positivity in Challenging Times** Beyond its catchy production, the song carries a deeply personal and timely message from DAN. Inspired by the heavy weight of current global events, the track is a call for connection, positivity, and the importance of friendship.

*“These aren’t exactly the easiest of times. There’s war all over the world, and that doesn’t leave me unscathed,” explains DAN. “Maybe that’s why my current releases are so uplifting, positive, and motivating. Because that’s what I need. I need people around me who are positive. Positive music. And what I need most right now is a ,firestarter.’ Someone who rekindles my fire and helps me not to lose heart, to stay positive, and to keep my chin up.”*

*He adds: "Friends are more important to me than ever during this time. Just going out together, switching off my mind, and forgetting for a moment what's happening out there in the world. If you feel the same way, this song is for you. Then maybe I can be your 'firestarter' with this release."*

This theme is perfectly echoed in the track's lyrics, which describe shaking off the week, "sunset on Friday, I'm stuck on the highway", and asking for someone to "lift me up so I can shine".
